GRADUATION PROJECTS

UNDER SUPERVISION DR/RASHWAN ALMASHHOUR

- ARCH/ HANAN MOANES
- ARCH/ AYA MAMDOUH
- ARCH/ BASMA ABDELHAKIM
- ARCH/ LEDIA GORGE

Dean of the College:
Prof. Dr. Salem Elkhodary

Within the framework of the Department of Architecture's contribution to supporting the governorate in developing the proposed development projects through graduation projects proposed for community participation and the contribution made by Al Nahda University for development and community service.

The Department of Architecture, headed by Dr. Rashwan Al-Mashhour, Head of the Department of Architecture, presented projects within the development and investment plan in the coming years... **The projects included:**

- **1. Mixed – Use Tower Project** The project location is Cairo Governorate - Tahrir, the project area is 17,000 m2, where the multi-use towers are considered an attractive element for modern development areas and consist of a commercial building (containing a cinema complex - various commercial stores with areas ranging from (50 to 300 m2) - a complex of restaurants and waiting areas. - An external part with landscape services.) In addition to a residential tower - a hotel tower.
- **2. Sanur Desert Resort Project** This is due to the importance of the region and its inclusion of a group of antiquities and its views of the Nile, and to support tourism activities in the region . The project area is 50 acres. It contains the administration building, chalets, restaurants, large landscapes, and swimming pools with their services. The project was designed with the aim of tourism in Beni Suef Governorate
- **3. Hotel Project :** Project location: Beni Suef Governorate - East of the Nile. The project area is 25,000 m2 and contains the administration building - restaurants - landscape - swimming pools with their services - recreational areas and therapeutic services.
